

Gold tray

PRODUCT TYPE

Melamine laminated tray.

SUITABLE FOR

Restaurants, Bars, Hotels, Self Service
Restaurants and staff canteens.

INTENDED USE

Service and meal consumption.

ADVANTAGES AND BENEFITS

- Lightweight and practical for serving.
- Slim: saving space when stacked.
- Excellent value for money.
- The widest range of shapes and sizes, for all types of uses.
- Wide, pleasant range of colours.
- Easy to wash and sanitise, thanks to its smoothness.
- Totally waterproof, impervious to grease and impurities, does not retain smells.
- The materials employed do not leach any harmful substance when in contact with food, even at high temperatures, complying with (EU) Regulation no. 10/2011.
- Excellent resistance to stains.
- Resistant to scratches and abrasions.
- Impervious to most household corrosive agents.
- Perfectly flat.
- It can be personalised up to the rim on front and back with logos, photos, captions, etc.
- The personalisation process embeds images into the tray during manufacturing, ensuring these remain unaltered through time.
- Thanks to high quality raw materials and to innovative production technology, the Gold tray is a durable product.
- Smaller environmental impact than that of trays having a shorter life.

CAUTION

- Thoroughly dry before stacking.
- Wash cycle temperature: max +60°C.
- Rising and drying temperature: max +90°C.
